

Nova.ai Reimbursement Policy

Document ID: FIN-POL-008 | Version 1.0 | Effective Date: January 2026

1. Purpose

This policy defines how employees of Nova.ai claim reimbursement for approved business expenses. It promotes financial transparency, consistent approvals, audit readiness and timely payments.

2. Scope

Applicable to eligible employees, interns and approved contractors undertaking authorized business activities.

3. Eligible Expenses

Business travel, accommodation, meals, taxis, internet reimbursement, certification fees, office supplies and approved software purchases.

4. Non-Eligible Expenses

Personal shopping, entertainment without business purpose, alcohol, traffic fines and family member expenses.

5. Submission Process

Claims must be submitted through the Nova.ai Expense Portal within 15 calendar days with invoices and manager approval.

6. Approval Workflow

Employee → Manager → Finance → Payment Processing. Finance may request clarification or reject incomplete claims.

7. Processing Timeline

Approved claims are generally reimbursed within 7–10 business days.

8. Audit & Compliance

False claims or modified invoices may lead to disciplinary action.
